CM JAYA CHANGED HER STAND TO PROTECT PARTY MEMBERS WHO ARE SENTENCED TO DEATH FOR KILLING INNOCENT STUDENTS AT DHARMAPURI TO SHOW PROTEST ABOUT JAILING JAYALALITHA IN CORRUPTION CASE

Indian National Congress always stood by the side of Tamils. It is Shri. Rajivji who first sent food by Indian air force to the Sri Lankan Tamils on humanitarian grounds. In his effort to come to honorable settlement in favor of Tamils, he was personally struck by Singhalese army man. In spite of the fact that her husband was killed, Mrs. Gandhi showing humanism of the highest order assisted in the commuting of sentence to Nalini. It is UPA government led by congress which has allocated Rs.500/- crores to the Sri Lankan Tamils. However, to cater to their narrow political end various parties in Tamil Nadu or trying to show the INC in bad light. Unfortunately even national parties like CPI and CPM also has joined the bandwagon that can spell disaster.

In this context, everyone is perplexed by the about-turn made by our Honorable Chief Minister Jayalalitha. She has been consistent in her opposition to LTTE and terrorism. However in a volte-face, she has led a resolution in opposing the hanging of the convicts of the 16 people including Shri. Rajiv's killers in the Tamil Nadu assembly. **The reversal of her well known stand is not meant as the welfare of Sri Lankan Tamil but to protect the assassins in her party who are sentenced to death.** Recently, the court has sentenced the ADMK men who killed innocent students by burning a college bus to show their protest against the arrest of Tmt. Jayalalitha for corruption by the then DMK government. **In order to protect them from gallows in the future, Tmt. Jayalalitha, hardliner and ADMK chief, is putting up a new face and garb as a 'bleeding heart liberal'.**
